About Combined Logistics

"We started operations in 1999 and have been associated with many reputed businesses for their freight forwarding and customs clearance needs.

Our endeavour right from the outset has been to provide hassle-free and safe transit of goods all across the world in a seamless way. With almost 3 decades of experience, a trustworthy network, and many awards from our industry, we have been able to nurture strong relationships with our clients. We love to take on complex challenges to deliver value to your business."
